"Discover Our Time-Honored Family Recipe"

Family-owned TASKIN BAKERY founded by husband and wife Kadir and Naciye Taskin has been proudly producing traditional premium products for more than 20 years by using natural wholesome ingredients baked in brick ovens.

As Taskin Family, we have a passion for baking and committed to honoring our family recipes and warming hearts.

Our team is passionate about our high standards, by using only the top quality ingredients, focusing primarily on baking traditional "handmade" Turkish desserts, pastries, and breads.

All of our breads are cholesterol, sugar, and fat free. An excellent source for dietary needs.

Our handmade products are Kosher and Halal Certified.

We are increasing our presence in supermarkets, restaurants, and other bakeries and hotels.

In addition, for your convenience, we deliver our products via UPS/ Fedex. We would be delighted to cater you at your special events. Please don't forget to ask for us.

We are honored that our "Turkish Pide Bread" has won the bronze award in the Baked Goods as part of the Specialty Food Association's 2019 sofi™ Awards.
